### Kismet Items

The latest change in real estate is that of F. M. Rose, trading his half section north of town to H. L. Arthur for the hard ware store and lumber yard. Fred is doing the business in the store and Arthur is preparing for a trip to the Dakotas and Canada.

Mrs. Joe Kirk is very low at the Stewart Hospital in Hutchinson. The U. B. S. S. raised \$2.40 to be spent in the best way possible to bring happiness to her heart and remind her that her many friends at Kismet have not forgotten her. The money will be spent for flowers and fruits.

The Kismet boys have organized a ball team again, with Fred Rose as manager and M. Akers as captain.

The Kismet school closed on Friday and at night a very delightful program was given. Miss McGregor proved herself of being very capable of preparing children for the stage. She was assisted by Miss Hobbie of Liberal. Mrs. H. H. Hobbie was also up from Liberal. After the entertainment the U. B. people sold 7½ gallons of ice cream which had been prepared for the occasion.

A surprise party was given on Mrs. McClure, Monday night. The party had the usual good time as entertained at her pleasant home.

Local showers have been missing Kismet on every side now for time. If by mistake one heads to this locality, we will notify you.

Ed Fincher of south of Plains has a sale advertised for Thursday the 11th.

### Broomcorn.

Broomcorn shipments last week were very light, and there was but little corn brought to the local market. The top of the market was \$82.50 paid to Irvin Horne of Beaver County. This is the best price paid for corn since the first of the year. Buyers report a light demand, with little prospects for an immediate raise. There were only two cars of corn shipped last week, making the total for the season, 731 cars.

# THE WEAK POINT

About most wheel implements is the oiling device.

This is admitted by all implement makers, and they are all making so-called "Dust Proof Boxes" to overcome the trouble.

"Old Man Brown" as the boys call him, who has been with the John Deere Plow Co., for twenty-five years says: "The only way to make a Dust Proof Box is to make it right in the first place, then fill it and keep it so full of good hard oil that bust and sand can't get in."

That was well said. So far, no one has made a box that will absolutely keep out the dust any other way, but it may be so well made that it can be kept oozing over with grease. When the dust touches this it becomes mud, but can not work into the box.

Deere Wheel tools have screw caps at the outer ends of the boxes, and flanged collars at the inner ends. This wheel is found on Cultivators, and Gang Plows and Listers. It is a

### Antelope Valley.

A. H. Thompson returned last Friday from attending the State Sunday School convention. He reports a grand time and feels he is more than paid for the time and money which it cost. He gave a partial report of the work done and will give the remainder next Sunday. It's worth hearing.

Miss Hattie Sealey accompanied her brothers to Meade last Saturday to attend the "Field day."

About thirty young people of the neighborhood met at Thompson's last Wednesday night. Besides having a fine time they organized a social circle. The object of the organization is for the purpose of looking to the social requirements of the young people. They will meet at Mrs. Jennison's home June 1st.

Mrs. F. Clearman has been quite sick for some time. The last reports were she was some better.
